All work done under this permit shall be in accordance with specifications of the Public Works Director and the rules and regulations of the Department of Public Works and shall be subject to an inspection at any time by the Director or his designee. An inspection by Water Department Personel or designee must be made before any pipes are covered. All pipes must be covered with at least 6" clean sand and then processed gravel compacted in 2 foot lifts. All road openings must be paved within 7 days of the installation or the DPW will pave and the Road Opening Bond will be accessed to cover that cost.

TO BE COMPLETED BY THE DIRECTOR OF PUBLIC WORKS
